

## MEDIA RELEASE

**New Products: 1500W Sunbeam Smartheat™ Covered Oil Filled Radiator:  
And Two in One Tower Heater and Cooling Fan**

April 2009

### **Sunbeam takes the chill out of winter with new home heating solutions**

With those long cold winter nights just around the corner, Sunbeam has launched two new home heaters delivering safety, comfort and energy efficiency to meet today's busy lifestyles.

#### **1500W Sunbeam Smartheat™ Covered Oil Filled Radiator**

Part of Sunbeam's popular **Smartheat™** range, the new **1500W Sunbeam Smartheat™ Covered Oil Filled Radiator** delivers efficient and comfortable warmth in the home instantly.

A new era for oil heaters, the 1500W Smartheat™ has a 500W turbo fan enabling instant generation of heat. The turbo fan continues to distribute heat long after the heater is turned off increasing the energy efficiency of the radiator.

Flexible and easy to use, the heater has full electronic controls, seven heat settings and an adjustable thermostat to consistently maintain the perfect temperature. An ideal addition for the bedroom, study or home office, the Smartheat™ also offers the safety of a programmable 24 hour auto on or off function and an integrated humidifier cup to prevent dry air in the heated environment.

Designed and engineered in Australia, the **1500W Sunbeam Smartheat™ Covered Oil Filled Radiator** combines high-performance and energy efficiency with a sophisticated, compact design – making it a must-have for this winter.

**Sunbeam Smartheat™ Covered Oil Filled Radiator HE6150TF**

**RRP: \$179.00**

## **Two in One Tower Heater and Cooling Fan**

Keeping the home at an ideal temperature in winter and summer, Sunbeam has launched the **2400W Two in One Tower Heater and Cooling Fan**.

Renowned for its effective distribution of heat and air throughout the home, the powerful 2400W combined heater and cooling fan has two heat and three fan settings. Offering extra convenience, the Two in One also features a fully functional remote control allowing complete control of the unit from across the room or the comfort of the couch.

Banishing the days of worrying about whether you've turned off the heater, the Two in One includes an auto off timer for maximum safety. For further peace of mind, the safety overheat protection effectively maintains the desired temperature to prevent overheating and discomfort.

With its sleek, contemporary design the Two in One is a stylish and efficient solution for the modern Australian home.

**Sunbeam Two in One Tower Heater and Cooling Fan with Remote Control HE2890**

**RRP: \$299.00**
