THE BEST *iced coffee*

ingredients

-  1 scoop coffee grounds

-  Water, for the coffee

-  Ice

-  2 scoops milk of choice

-  1 scoop vanilla ice-cream

-  Chocolate sprinkles

'Scoop' refers to the coffee scoop that comes in the box.

let's make it!

- 1.** Add water and coffee grounds to the Sunbeam Iced Coffee Machine and switch on.
- 2.** While the water is heating, fill the tumbler with ice to the indicated line. Brew hot coffee over the ice then pour in milk.
- 3.** Top with a scoop of vanilla ice-cream and add the chocolate sprinkles. Enjoy!

DELICIOUS!

CLASSIC *iced coffee*

ingredients

-  1 scoop coffee grounds

-  Water, for the coffee

-  Ice

-  1 tablespoon chocolate sauce

-  2 scoops milk of choice

'Scoop' refers to the coffee scoop that comes in the box.

let's make it!

- 1.** Add water and coffee grounds to the Sunbeam Iced Coffee Machine and switch on.
- 2.** While the water is heating, drizzle the chocolate sauce around the tumbler. Fill the tumbler with ice to the indicated line.
- 3.** Brew hot coffee over the ice then pour in milk. Enjoy!

TIP!

To make this coffee extra creamy, freeze milk instead of water for your ice cubes.

COCONUT *iced coffee*

ingredients

-  1 scoop coffee grounds

-  Water, for the coffee

-  Ice

-  1 scoop sweetened coconut condensed milk

-  1 scoop full fat coconut milk

-  Whipped cream, to serve *(optional)*

-  A sprinkle of shredded coconut for topping

'Scoop' refers to the coffee scoop that comes in the box.

let's make it!

- 1.** Add water and coffee grounds to the Sunbeam Iced Coffee Machine and switch on.
- 2.** While the water is heating, combine the sweetened condensed coconut milk and coconut milk to the base of the iced coffee tumbler and blend together until well combined. Fill the tumbler with ice to the indicated line.
- 3.** Brew hot coffee over ice. Top with whipped cream and shredded coconut. Enjoy!

This recipe is vegan without the whipped cream!

VANILLA ALMOND MILK iced latte

ingredients

1 scoop coffee grounds

Water, for the coffee

Ice

1 teaspoon vanilla essence

2 scoops almond milk

'Scoop' refers to the coffee scoop that comes in the box.

let's make it!

1. Add water and coffee grounds to the Sunbeam Iced Coffee Machine and switch on.
2. While the water is heating, fill the tumbler with ice to the indicated line. Pour in the vanilla essence.
3. Brew hot coffee over the essence and ice. Pour over the almond milk. Enjoy!

TIP!

For a sweet alternative, replace the vanilla essence with 1 tablespoon of vanilla syrup.

SNICKERS iced coffee

ingredients

1 scoop coffee grounds

Water, for the coffee

Ice

1 scoop powdered peanut butter*

2 tablespoons Nestlé Squeezy Caramel

2 scoops milk

Whipped cream, to serve

Chocolate sauce for drizzling

Finely chopped, or crushed peanuts to serve (optional)

**Scoop refers to the coffee scoop that comes in the box.*

**Powdered peanut butter is labelled as "PB2" in supermarkets and can be found in the health aisle of most leading supermarkets.*

TIP!

Add a drizzle of chocolate sauce to your tumbler before mixing the caramel, powdered peanut butter and milk, if you like!

let's make it!

1. Add water and coffee grounds to the Sunbeam Iced Coffee Machine and switch on.

2. While the water is heating drizzle chocolate sauce around the inside of the tumbler. Combine the powdered peanut butter, caramel and milk in the iced coffee tumbler. Stir well to combine. Fill the tumbler with ice to the indicated line and place under the Sunbeam Iced Coffee Machine.

3. Brew hot coffee over ice. Top with whipped cream, chocolate sauce and peanuts.

BISCOFF iced coffee

ingredients

-  1 scoop coffee grounds

-  Water, for the coffee

-  Ice

-  1 scoop biscoff spread

-  2 scoops milk of choice

-  Whipped cream, to serve

-  Sprinkle of crushed chocolate cookies

-  Caramel to drizzle

'Scoop' refers to the coffee scoop that comes in the box.

let's make it!

1. Add water and coffee grounds to the Sunbeam Iced Coffee Machine and switch on.
2. While the water is heating combine the biscoff spread and milk in the Sunbeam Iced Coffee tumbler.
3. Brew the hot coffee over the biscoff combination and mix together using a spoon or small whisk until biscoff has melted.
4. Fill the tumbler with ice to the indicated line.
5. Top with whipped cream, crushed chocolate cookies and a drizzle of caramel!

TIP!

If you prefer biscoff drizzle instead of caramel, use a microwave safe bowl, heat 1 tablespoon biscoff for 10-15 seconds until pourable. Use to drizzle the inside of the cup and on top of the whipped cream!
